

Vision:

Foamotive aims to contribute to the Automotive Industry by creating the means for an improved driving experience through the design, production and supply of superior molded foam parts.

Mission:

- 1. Create parts that decrease noise for the driver and increase thermal insulation.*
- 2. Create parts that add to the light-weighting of the vehicle.*
- 3. Treat our customers as our major asset and maintain an open dialogue and superior service.*
- 4. Benefit all of our stakeholders (customers, suppliers, employees, community and owners).*
- 5. Protect the environment and create a sustainable future.*
- 6. Innovate, practice Lean Production and create a process of continual improvement.*
- 7. Create a safe work environment for our employees and a culture of mutual respect, diversity and equal opportunity.*
