Manufacturer's Declaration

We do hereby declare that all **Palziv "Standard Colour Grade" products, (both Palfoam and Galfoam Cross-linked Polyethylene Foams)** pass the RoHS requirements for use in E&E applications. They fully comply with Directive 2002/95/EC on the Restriction of the Use of certain Hazardous Substances in Electrical and Electronic Equipment, and the recast RoHS 2011/65/EC , and it's amendment – Directive 2015/83.

In particular, none of the raw materials used at Palziv contain Lead, Chromium, Cadmium, Mercury, PBB, PBDE or Hexavalent Chromium.

Due to the variety of Palziv products, there is no RoHS statement for specific products.

For RoHS compliance of Fire retardant foams, please contact the Palziv Technical Department for more information.

A handwritten signature in blue ink, appearing to read "Gil Cimering".
