Manufacturer's Declaration

We do hereby declare that all **Palziv products, (both Galfoam and Palfoam Cross-linked Polyethylene Foams)** pass the RoHS 10 requirements for use in E&E applications. They fully comply with Directive 2002/95/EC on the Restriction of the Use of certain Hazardous Substances in Electrical and Electronic Equipment, and the recast RoHS 2011/65/EC, and its amendments – Directive 2015/863, - effective July 2019

In particular:

1. None of the color masterbatches used at Palziv contains Lead, Cadmium, Mercury, or Hexavalent Chromium.
2. No Fire retardants that contain PBB, PBDE are used
3. No Phthalate plasticizers are present in any of the foams (i.e. DEHP, BBP, DBP, DIBP )

Due to the variety of Palziv products, there is no RoHS statement for specific products.
